- ✓ To ensure that your treatment provider's qualifications, registration or membership is on our accepted list and relevant to the treatment that they are providing and that they are not a family member, partner or work colleague.
- ✓ To ensure that your contact details are kept up to date, as Health Shield will send any notifications of a change to your policy to the last address or email supplied to us, based on your communication preferences at the time of the change.

## When and how do I pay?

You will be provided with cover at the level determined by your employer, the cost of which will be met by them. You have the right to opt out of this cover by notifying your employer. Your employer paid cover is treated as a benefit in kind and may be subject to appropriate taxation.

Where your employer allows you to upgrade your level of cover, or add your partner to your policy, the cost of this will be taken on a monthly basis either by Direct Debit or payroll deduction through your employer. This will be a monthly renewable contract that remains in force if you continue to pay your premiums when due. Renewal is automatic and binding and no renewal papers or other forms of notification will be issued.

Any premiums that you pay will include Insurance Premium Tax (IPT) at the appropriate rate. If there is an increase in IPT, then your premiums will also increase to reflect this. Our sales agents receive a salary and also a bonus based on sales when meeting certain thresholds. If this policy was purchased via an intermediary a commission may also be payable. All of this is included within the premium of your plan. We do not make any recommendations about the insurance products offered.

## When does the cover start and end?

The policy schedule you receive in your welcome pack, will show the date your policy commences and the date from which you are able to make claims. Typically you will be covered from the first day of the month in which your cover comes into effect until the last day of the month in which your cover ceases.

Cover will end when the premiums cease, or if you leave your employer.

## How do I cancel the contract?

You may cancel your policy at any time. You should notify your employer who will give notice to us.

If you would like to cancel an upgrade to your level of cover, or to remove a partner from the plan, please contact us on 01270 588555. If you cancel an increase to your level of cover within 30 days of amending your policy, as long as you have not made a claim, we will refund the amended portion of the premiums that you have paid for this extra cover.
