Need additional cover?

We understand that everyone is different. That's why we offer varying levels of cover depending on your needs. You can add partners, increase your level of cover **for you** or **you and your partner** at an extra cost †. Below are the options on offer:

Check your current level of cover, then look at the columns on the right of the table to find the new premium price for additional cover.

Option 1 Increase my level just for me

For example - if your company is paying for Level 1 for you and you want to increase to Level 2 for you, then you'll pay £14.23 per month.

Option 2 Add my partner to my current level of cover

For example - if your company is paying for Level 1 for you and you want to add your partner, then you'll pay £9.98 per month.

Option 3 Add my partner and increase my level of cover

For example - if your company is paying for Level 1 for you and you want to increase to Level 2 and add your partner, then you'll pay £33.22 per month.

Option 4 Increase the level for me and my partner

For example - if your company is paying for Level 1 for you and your partner and you want to increase to Level 2 for you and your partner, then you'll pay £28.45 per month.
